Dear Mr. Smith:

The Environmental Protection Agency (EPA) has Completed its investigation of your facility under Section 103 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, 42 U.S.C. §9603 et seq. At this time, EPA believes your facility may have violated the release reporting provisions of Section 103, involving a release of **ethylene dichloride** on **September 01, 2006** in **Point Comfort, Texas**.

EPA would like to schedule a meeting with you to discuss and attempt to resolve the alleged violations prior to taking an enforcement action pursuant to Section 109 of CERCLA. Please contact me at (214) 65-6418 to schedule this meeting. You may be represented by an attorney at this meeting. If we are not able to schedule and conduct this meeting within thirty (30) days of your receipt of this letter, EPA may proceed with a formal action to resolve the alleged violations.

Thank you for your attention in this matter and your cooperation during the investigation.

Sincerely,

Misty Ward
Enforcement/Compliance Officer
Prevention and Response Branch
